'Working together to safeguard children'

Headteacher: Mrs Mitzi Nichol
Deputy Headteacher: Miss Kirsty Walker

18 May 2018

Dear Parents and Carers

Y4 Trip Update

This year we have introduced a new creative curriculum for our Topic subjects which has resulted in the need to change some of our previous years' activities, trips and workshops. This summer term we are currently studying 'At the Movies' where the children are learning about the history of the film industry, animation and filmmaking. As such, our trips need to relate to this topic and we are currently in the process of confirming our new exciting Topic activities.

Our plans should be confirmed by the start of week commencing 21 May 2018; including the outstanding Cable Car trip.

We sincerely apologise for any confusion or disappointment this has or may result from these changes and trust that the trip and workshop we are organising will equally engage, excite and enrich the children's learning.

We would also like to thank you for your ongoing support, especially in relation to volunteering to attend our trips and those who have put forward some wonderful suggestions. Our most recent trip to the Science museum's interactive wonder lab exhibit was a great success and parental support was greatly appreciated by the children and teachers.

Yours sincerely

Mrs Anchebe, Miss Senior and Mr Harvey-Jones.
