**'Working together to safeguard children'**

Headteacher: Mrs Mitzi Nichol  
Deputy Headteacher: Miss Kirsty Walker

22 September 2017

Dear Parents and Carers

We will be running a series of workshops which encourage parents to come into school and find out exactly how their child is learning in maths. The workshops will be a fun and enjoyable way to take part in activities with your child. We will be giving you some ideas in the workshop for you to use when supporting your child with their homework. The sessions will follow the structure of a typical math lesson at Stillness and will give you an opportunity to work one to one with your child for an hour.

The workshop will take place in the hall and will last approximately one hour from 9.15am to 10.15am. The dates for each year group are as follows:

- Monday, 2 October 2017 – Hepworth Class
- Tuesday, 3 October 2017 – Warhol Class
- Wednesday, 4 October 2017 – Picasso Class

I hope you will support this exciting event by attending with your child and would be grateful if you could indicate your intention by completing the tear-off strip below and returning it to school no later than Thursday, 28 September 2017. **It is important parents/carers complete and return the reply slip as math activity work packs are prepared to order.**

We have not scheduled a fire drill but in the event of the fire alarm going off, please make your way to the assembly point which is situated directly outside the main school entrance.

Many thanks

Stephanie Blomfield  
Numeracy Coordinator

**Math Impact Workshop** - Please complete and return by Thursday, 28 September 2017.

I, will/will not be attending the maths workshop (*please delete as appropriate*).
