6 September 2017

Dear Parents and Carers

As part of the PHSCE (Personal Health Safety and Citizenship Education) and the science curriculum areas, we will be delivering sex and relationship education to Y6 children. This will take place on Friday, 22 September 2017. We will be teaching a day of individual lessons that will cover:

- Describing how the body changes during puberty
- Exploring the process of emotional and physical change
- Exploring positive and negative ways of communicating in a relationship

Like in previous years, we will be splitting the year group into boys and girls to deliver the lessons.

The Y6 team would like to invite you to view the lesson materials before we teach it to your child on the 13 September 2017 at 3.20pm.

Please complete the reply slip below and return to your child's class teachers.

Thank you for your support.

Yours sincerely

Y6 Team

I will be attending on the 13 September 2017 at 3.20pm to attend the parent meeting for SRE.
