Chessington was fantastic. The weather was forecasted rain, but it wasn't enough to call our day off! My favourite ride was 'Vampire', it had a really long queue, but it was well worth it! We bought rock and someone in our group bought 7 sticks! I had a blast and I'm sure everyone else did too. – **Sam 6P**

Aadil and I were the daredevils of our group, as we were not scared on every ride we went on. It was amazing. **Gabrielius 6W**

Being at Chessington was so much fun I loved the rattle snake, amazing. There was so much to do even when we were eating we saw some sea lions! **Caitlin 6W**

We were all singing on the rides instead of screaming – that's what made it fun. **Amaya 6W**

The funniest thing that happened in Chessington is when my group forced Miss Curtis to go on a high ride and she got very scared. After we went on the Gruffalo and my group were splashing water at her. Wish we could go again..... **Rukhiaya 6W**

Chessington was the funniest place ever! So many people got scared and chickened out! I wish we could go again..... **Bo 6W**

My heart thumped through Dragon's Fury. I laughed the whole way around. **Domino 6W**

Chessington was the beset trip ever. I enjoyed it so much, my friends by my side. It was awesome. **Vidal 6W**

I had the best time ever because it was my first time on a roller coaster. Even though I nearly screamed the whole time, I had so much fun. It was worth it. **Sophie 6W**

Miss Walker's "Read of the Month" – Wonder by R. J. Palacio

I won't describe what I look like. Whatever you're thinking, it's probably worse.

August (Auggie) Pullman was born with a facial deformity that prevented him from going to a mainstream school—until now. He's about to start 5th grade at Beecher Prep, and if you've ever been the new kid then you know how hard that can be. The thing is Auggie's just an ordinary kid, with an extraordinary face. But can he convince his new classmates that he's just like them, despite appearances?

R. J. Palacio has written a spare, warm, uplifting story that will have readers laughing one minute and wiping away tears the next. With wonderfully realistic family interactions (flawed, but loving), lively school scenes, and short chapters, *Wonder* is accessible to readers of all levels.

Lewisham Swimming

Lewisham will be offering free swimming lessons for children who attend Lewisham primary schools for Y3 and above. For more information please email: Lewishamswimming@gmail.com.
