

OUR BEST AT ALL TIMES

We would like to say a big thank you to Mr Josh Smaller and his team from Forest Hill Fire Station who came in to give the Y5 children a talk on fire safety.

They allowed some children to experience some of the uniform and equipment they have to use and carry around for fire call outs. Mrs E Bilal – Class Teacher

I really liked it when the fire brigade came to Stillness. I did not know that a fire truck only seated 6 people. Also I liked hearing stories about them saving people’s lives. They have 4 ladders on the top of the truck. Also it was really funny when our friends were trying on the fireman outfits. – Florrie 5B

On 17 May 2017 the London Fire Brigade came to Y5 of Stillness Junior School. They showed our class (5B) the fire engine, they had hammers and axes and even something that can cut through a car.

Sadly the fire engine was called out to St. Dunstan’s College so we went to the hall and spoke to Josh, another fireman, about equipment that they wear. Some people got to put on the equipment like the boots and trousers, helmet and jumper. Leo 5B

On 17 May 2017, Y5 saw the London Fire Brigade. They showed us a lot of things on their fire truck and it was very interesting. They also showed us their uniform when they are in action.

Later on a man from the L.F.B. got us to sit in a circle and we all talked about what to do in a fire and how to prevent a fire from happening. Everyone was happy and we all loved that we got to meet the London Fire Brigade. Richard 5B
