NEW SCA COMMITTEE

Dear Junior parents and carers,

As we head into 2018.... a hello and introduction from the new SCA committee.

Co-chairs:

Kate Malone and Annemarie Francis

Treasurer:

Claire Swift

Deputy Chair:

Deirdre Machray.

Secretary:

Across FOSI and SCA

Tamsin McBride

Hopefully you will all have a class rep by now. If not - it would be good to have one (or two). The class reps can directly cascade any SCA info to you, alongside the more general communication from us.

OUTGOING COMMITTEE

A huge thanks to Sylvia and Mel for their efforts and commitment to the PTA. We cannot stress how much time they have spent putting together many events and activities over the past 3 years.

We have big boots to fill, but we will do our every best to keep things running.

Like many of you, we are busy parents who are juggling family, jobs and school dressing up days!

The reason we say this is because... quite simply, we cannot do it alone.

We had a fantastic response volunteer wise for Winter Wonderland and the school disco - thank you so much. It made everything so much easier knowing there were so many people to help.

2018

We have many activities coming up in 2018 and lots of great opportunities for you all to get involved.

In addition to that - if you have an idea about an initiative or event that you would like to host or that SCA could potentially support, please do let us know. All ideas welcome.

Coming soon...

February 23rd
STILLNESS SPRING SOCIAL

This is a fabulous (adults only) event for both infants and junior school parents. Thanks to FOSI co-chairs Rhoda and Sarah. More details to come- but save the date!

OTHER

There will be a film night for the children in the spring sometime and also a parents quiz night (again a joint school event) before the summer.

There are also some more exciting literary events in the pipeline for the kids in the build up to world book day.
