

Year 4 Reading Challenge

Below is a list of 30 must-read books for year 4. We're setting you a challenge – how many can you read during your time in year 4? Stick this up in your room or on the fridge at home to keep track! How many you read will determine the award you receive at the end of the year:

Bronze Award – 10-15 books

Silver Award – between 15-25 books

Gold Award – all 30 books!

There will be a prize for the year 4 class with the most awards!

You can read them yourself, read them to an adult at home or during guided reading, or ask someone to read them to you.

You can read them in any order, and we have them in the library. Ask any of the pupil librarians on duty to help you find the books – can you remember how to look for an author on the shelves?
